

VAIL RESORTS[®]

HEALTH & SAFETY

SAFETY ALERT

SLIPS, TRIPS, & FALLS

WITH VARIABLE WINTER WEATHER IN OUR AREA, INCREASING AWARENESS OF PREVENTING FALLS IS ESPECIALLY IMPORTANT!

- **Ensure adequate lighting on all walkways, and report expired bulbs**
- **Keep entrances clear of snow & ice buildup throughout storms. Use traction sand where possible.**
- **Use appropriate footwear for the conditions. Consider Stabilizer devices for increased traction in outdoor work environments.**
- **Never carry a load that blocks your vision.**
- **Be aware of changing weather conditions.**
- **Use handrails on stairways, ascending & descending, every time.**
- **Visually inspect your path.**
- **Move slowly & firmly on icy surfaces.**
- **Mop up snowmelt buildup inside entrances. Monitor regularly.**
- **Practice good housekeeping in all facilities and maintain unobstructed aisle ways & exits at all times.**
- **Report all hazards to your supervisor.**

ALL OF THESE TIPS ARE GREAT PRACTICES TO TAKE HOME WITH YOU
